

installing, maintaining, repairing and replacing all utility service lines and systems including, but in no way limited to, those for water, sewer, gas, telephone, electricity and cable television, all drainage lines, ditches and systems, and all roadways.

b. Easement to Correct Drainage: For a period of two (2) years from the date of conveyance of the first Lot in a Parcel, the Declarant reserves a blanket easement and right of way on, over and under the ground within a Parcel to maintain and correct drainage of surface water in order to maintain reasonable standards of health, safety and appearance. Such right expressly includes the right to cut any trees, bushes or shrubbery, make any gradings of the soil, or to take any other similar action reasonably necessary. Following such action the Declarant shall restore the affected property to its original condition as near as practical. The Declarant shall give reasonable notice of its intent to take such action to all affected Owners, unless in the opinion of the Declarant an emergency exists which precludes such notice. At the expiration of such two year period, said easement to correct drainage shall automatically be held by the Association.

c. Encroachments: In the event any portion of a Common Area encroaches upon any Living Unit or any Living Unit encroaches on a Common Area as a result of construction, reconstruction, repair, shifting, settlement or movement of any portion of the Properties, a valid easement for the encroachment and for the maintenance of same shall exist so long as the encroachment exists.

d. Association Maintenance: The Board of Directors of the Association, its officers, agents, servants and/or employees shall have the right of unobstructed access at all reasonable times to all properties as may be reasonably necessary for maintenance.

e. Grant to Others: The Declarant or Association may grant permits, licenses, and easements over any common area or utility easement reserved elsewhere for utilities, roads or other purposes reasonably necessary or useful for the Project maintenance or operation of the Project.

12. Variances:

The Association may allow reasonable variances and adjustments of the restrictions set forth in this Declaration in order to overcome practical difficulties and prevent unnecessary hardships in the application of the provisions contained herein; provided, however, that any such variance granted must be done in conformity with the intent and purposes of the general development scheme and provided also that in every instance such variance or adjustment shall not materially be detrimental or injurious to other property or improvements within the Properties.
